Shy and Gentle Dryad
Beloved by Artemis
You've guarded Oaken Groves
Since times lost in the mists
You tend each branch and bough
And watched your trees grow tall
And mourn each fading leaf
As Autumn brings the fall

Chorus
In this Grove on Sacred Ground
We will dance the Circle round
We will dance the Circle round.

You love each precious Acorn
As a Mother loves a Child
You teach them ancient Wisdom
And stories of the Wild
And as they leave your loving care
And fall to Mother Earth
You cast a gentle Blessing
On this magical rebirth

(Chorus)

Dance with me sweet Dryads
Beneath the Oaken boughs
And bless me as I pledge to you
My sacred Druid vow
I swear by Peace and Love
No harm shall fall to thee
This Grove is Sacred Ground
And ever more will be

(Chorus) x2
