Can you tell me why you are leav- ing — As the leaves now fall to the  
ground, Do you hear the call of a dis - tant land, Feel the Sea-sons turn-ing round, See the pro-mise  
of the Win-ter in the Wind. Fly High be strong. I'll miss your Sum-mer so-ng, Fly High,  
be Free — on the gen - tle breeze of Spr-ing, re-turn to me.  
Can you tell me where you are go- ing — As your song fades to ec-hoes in the night, Do you  
fol-low the signs I can - not see, Ov-er the moun-tains and storm swept seas, See the prom-ise  
of the Sum-mer in star light, Fly High, be Strong, I'll miss your Sum-mer so-ng, Fly High,  
be Free — On the gen - tle breeze of Sp-ring re-turn to me.  
Can you tell me when you'll re-tur-n, — As the snow now thaws on the ground, Will you  
hear my call from a dis - tant land, Feel the sea-sons turn-ing round, See the prom-ise of the Sp-ring  
in the wind, Fly High, be Strong, — I'll miss your Sum-mer so - ng Fly High,
